

DIY - Panda Ornament!

Materials

1 white Styrofoam 2" ball
2 small black pompom balls
2 wiggled eyes
Small pieces of black and red construction paper
String
(You can get all the materials in a crafts store)

Tools

Glue
Scissors
Scotch tape

Method

Mark locations of panda's ears, eyes and mouth on the white Styrofoam ball;
Cut a smiling mouth (quarter moon) with red paper;
Cut two oval panda eye shadows with black paper;
Glue the wiggle eyes in the middle of the black eye shadows;
Glue ears (black pompom balls), eyes and mouth on the locations you marked on the white ball;
Tape the string on the top of the panda, your panda ornament done!
